WEBSITE HELP

CLUB MEMBERSHIP FORM & PAYMENTS

To pay for club membership there are two ways to complete this. Prior to paying please confirm that your child has a place in the team for the coming season and that your website account has been linked to your child's profile. Any issues on this front please contact us. contact@forestersfc.com

No matter which way you go to get to the Membership Form & Payment screen, when you get to the 'Who Is this product for?' (Fig 4) please select the players name. This will stop us contacting you asking for payment when you may well have paid already.

Option 1:

- Payment request will be sent to your club registered email account (Fig 1)
- Click on link to 'Pay Now'
- Follow the instruction to login.
- Select how you want to pay for the season's membership (Single payment or 8 monthly payments) (Fig 3)
- Select the player this membership will be assigned too. If you can't find your child's name please contact us.
- Fill in the membership form
- Complete the Direct Debit mandate with GoCardless – our payment (The DD is for both single and the monthly payment – just the schedule of payments will be aligned with the option you choose – single or multiple payments)
